

GENERAL NOTES:

All dimensions and levels are to be verified on site, prior to the commencement of fitting out, workshop drawings or construction.

Drawings are not to be scaled. Figured dimensions are to be used at all times.

Any discrepancies, errors and omissions are to be Reported to the architect immediately before commencing with work. The architect will not be held responsible for any dimensional errors if not notified at the time of commencing work on site.

All shop drawings are to be submitted for architects Approval prior to manufacturing or installation.

All work is to be executed in strict accordance with the by-laws and regulations of the local authority.

Where required, architect's drawings are to be read in conjunction with engineer's & other consultants' drawings, details, and all relevant specifications or schedules as issued.

Copyright and right of reproduction of this drawing Or any portion thereof, is reserved and remains with M2k Architecture (Pty) Ltd
